# Jackson Township Government Overview

## C. Jackson Township Government Overview

### 1. Economic Development

Jackson Township has completed the first major hurdle toward moving aggressively and cooperatively forward on economic development for the Jackson Township community. By completing the Cooperative Economic Development Agreement (CEDA) with the City of Canton, Township officials are working for the betterment of Jackson Township and the entire Stark County region.

The CEDA agreement accomplished two major goals for Jackson Township and the residents. First, it successfully protects our eastern border (west of the railroad tracks) from encroachment and annexation threats from North Canton. Such aggressive annexation would have been a serious threat to major parts of Jackson Township's economic base, including our industrial areas, the Strip and Westfield Belden Village Mall. If such annexations had taken place, they would have had a devastating impact on Jackson's ability to provide the quality police, fire/EMS, road, and other Township services that our residents expect.

Second, it allows Jackson Township and the City of Canton to establish a partnership to negotiate Joint Economic Development Districts (JEDD's) and CEDA's to assist companies in locating to our Township and to provide them with the necessary infrastructure and personnel that are already in place to service these areas and to attract businesses for development. By working together, we can jointly market properties for development and share in the tax revenue in order to provide the infrastructure. We would be able to leverage both our strengths to provide attractive options for new businesses, companies and organizations that neither Jackson nor Canton could do on their own.

We firmly believe this economic development agreement between Jackson Township and the City of Canton will lead the way for years to come in bringing new jobs to our Township and region. We have done so without increasing the tax burden on our residents or any businesses that do not want to be a part of these newly developed areas.

This is truly an example of two communities working together for the betterment of Jackson Township and Stark County, by working harder and smarter. This is exactly the kind of leadership Jackson Township residents want from their government...cooperative, forward-looking, and a win-win for all.

On August 23, 2011, Jackson Township entered into an economic development agreement with the City of Canton which provides for shared income tax on any new Joint Economic Development District (JEDD) agreements. The first JEDD is located on land at the corner of Frank Avenue and Shuffel. The land was transferred by the State of Ohio from the Highway Patrol to Stark State College. The first project at this location is the Stark State College and Timken Company's Wind Energy Research and Development Center. All who work on that land, including the construction workers who build the facilities, are subject to an income tax. The tax will be used by Jackson Township to offset property taxes for safety forces in an effort to keep property taxes down. The agreement also protects our commercial tax base by prohibiting annexation by the City of Canton for 50 years, and blocks North Canton from annexing property west of the railroad tracks.

### 2. Township Organizational Structure

- a. Township Organizational Charts (See Attachment C)
- b. Elected Officials – Three Trustees and a Fiscal Officer are elected to four year terms. The Board of Trustees is the legislative authority of the Township, and the Fiscal Officer is the legal guardian of township financial records.

PICTURED FROM LEFT TO RIGHT: FISCAL OFFICER RANDY GONZALEZ, JACKSON TOWNSHIP TRUSTEES TODD J. HAWKE, JAMES N. WALTERS AND JOHN E. PIZZINO.

## Jackson Township Government Overview

### c. Functions and Staffing

1. The Administration Department provides for the administration and implementation of the policies, resolutions and special projects of the Board of Trustees. The department consists of the Township Administrator, who supervises all departments, an Administrative Assistant, Personnel Assistant and a Receptionist/Secretary.

2. The Fiscal Office maintains the financial records of the Township, processes payroll, invests Township funds, and pays bills. The Fiscal Office consists of the Chief Assistant Fiscal Officer, Assistant Fiscal Officer Payroll, and the Assistant Fiscal Officer Accounts Payable. The elected Fiscal Officer is legal guardian of financial records and Board of Trustees' meeting minutes.

In addition, the Fiscal Officer assists the Board of Trustees in financial planning and forecasting, and in promoting economic development using such tools as Cooperative Economic Development Agreements (CEDA's), Joint Economic Development Districts (JEDD's), and Tax Increment Financing (TIF). The Fiscal Officer prepares projections of the economic impact that these tools have on the Township's current and future financial condition.

The Township has been proactive by establishing the following funds for anticipated expenses. Three types of funds that are permitted by statute are:

1. Accumulated Benefits Fund for the purpose of accumulating resources for the payment of accumulated sick and vacation leave, compensatory time, upon termination of employment or retirement.
2. Capital Projects Fund for the purpose of accumulating resources for the acquisition, construction or improvement of fixed assets such as buildings, equipment, and vehicles.
3. Reserve Balance Fund for the purpose of accumulating resources for stabilizing a department budget against cyclical changes in revenues and expenditures. This allows a department to use the funds for operations in the later years of their levy.

## Jackson Township Government Overview

3. The Fire Department provides multiple levels of services to the community in the form of fire suppression, emergency paramedic ambulance service, fire prevention, safety education and public awareness programs. The department employs 67 career and 32 part-time firefighters, three full-time and one part-time office administrative personnel working from five fire stations. The community carries a Class 3 fire insurance rating.

4. The Legal Department provides counsel to the Board of Trustees, Department Heads, Board of Zoning Appeals, Zoning Commission, Board of Fire Code Appeals, Community Improvement Corporation, and LOGIC. The department includes a part-time Law Director and a Legal Secretary.

## Jackson Township Government Overview

5. The Police Department operates under a COP (Community Oriented Policing) philosophy. The department currently has 44 full-time officers, seven part-time officers, one administrative assistant to the Chief of Police, seven full-time clerical staff, and two part-time clerical staff. The department participates in P.R.I.D.E., Safety Village, “Hooked on Fishing, not on Drugs” and other community education initiatives as well as hosting regular neighborhood and crime prevention meetings.

## Jackson Township Government Overview

6. The Public Works Department is responsible for the repair and maintenance of township buildings, equipment, parks, roadways, and snow and ice control. The Jackson Township Board of Trustees consolidated the Central Maintenance, Parks, and Highway Department into one Public Works Department in order to operate more efficiently under upcoming economic constraints. It is anticipated that approximately 57 percent of local government funds will not reach the township due to State budget cuts. This restructuring is one of the proactive steps that the Board of Trustees and Fiscal Officer have taken to reduce costs while continuing to maintain services.

## Jackson Township Government Overview

- A. The Highway Division provides repair and maintenance of 201 miles of Township roadways, including surface and drainage maintenance, street sweeping, roadside mowing, sign maintenance, snow and ice control, and maintains year-round resident yard debris drop-off area. The department consists of the Highway Superintendent, Road Foreman, Secretary, 10 full-time Labor Specialists and one part-time Labor Specialist.

The Highway Department office contracts resurfacing, re-striping, re-curb-ing and drainage projects while managing the new equipment purchase, repair and maintenance of equipment and overall highway operations.

The office further communicates with the Township Engineer, the Stark County Engineer, other County agencies, and the Ohio Department of Transportation to promote and coordinate new joint traffic and allotment construction projects within Jackson Township.

- B. The Central Maintenance Division provides maintenance and repairs for buildings and vehicles in the Township. Vehicle Maintenance provides necessary repairs and maintenance on most all Township vehicles and equipment. Facility Maintenance provides maintenance and repairs to the Township Facilities. In addition, Central Maintenance provides purchasing and distribution of supplies, support for wireless and cellular services, housekeeping, and assistance on projects for the Township. The Department consists of the Central Maintenance Foreman, Building Maintenance Supplies Coordinator, Central Maintenance Worker, and three Mechanics. Office cleaning services are outsourced.

- C. The Parks and Recreation Division provides recreational services to the community. Township Parks include:

- a. North Park – 70 acres, north side of Fulton Drive
- b. South Park – 95 acres, south side of Fulton Drive
- c. Joseph E. Fisher Park – 27 acres, Lake O'Springs Avenue NW
- d. Nelson M. Keck Park – 10 acres, Wales Avenue NW  
plus 21 adjacent acres = approximately 31 acres
- e. Crystal Springs Bridge Park – connects Ohio & Erie  
Canal Towpath with Erie Avenue
- f. Edward & Mary Zink Park –  $\frac{3}{4}$  acre, 38<sup>th</sup> Street & Michael Street NW
- g. Stuhldreher Street Fields – 11 acres, Stuhldreher &  
Hills & Dales NW
- h. Strausser Fields – 8 acres, Strausser Street NW

## Jackson Township Government Overview

In addition to maintaining the Parks, the department maintains the grounds of the Township Hall, Highway Department, Recycling Station, Safety Center, Jackson Branch Library, and other Township properties.

The Park and Recreation Department consists of a Park Foreman, Park Maintenance and Programming Supervisor, Secretary, four full-time maintenance personnel, and 7 seasonal and temporary employees.

## Jackson Township Government Overview

7. The Zoning and Planning Department consists of three employees: Zoning Inspector, Assistant Zoning Inspector, and Zoning Investigator. The Zoning and Planning Department processes permits for all residential and commercial construction projects along with permits for non-construction projects within the Township. The staff reviews all site development plans for residential subdivisions and commercial developments to determine compliance with zoning regulations and coordinates with Stark County Regional Planning and other agencies regarding development plans.

Jackson Township completed a Long Range Comprehensive Plan, assisted by McKenna Associates, in May 2006. This plan provides a vision for the Township's future.

## Jackson Township Government Overview

### d. Ancillary Boards

#### 1. ***Board of Zoning Appeals***

The Jackson Township Board of Zoning Appeals (BZA) is a quasi-judicial board established in accordance with the Ohio Revised Code. There are five regular board members and one alternate appointed by the Board of Township Trustees. The function of the BZA is to consider requests for variances to the zoning resolution and conditional uses. The BZA also hears appeals from the decision of the zoning inspector. From January 2012 through September 2012, twenty five (25) appeals were filed with the Board of Zoning Appeals.

#### 2. ***Zoning Commission***

The Jackson Township Zoning Commission is comprised of five members and one alternate appointed by the Board of Township Trustees. The board is responsible for issuing recommendations regarding proposed revisions to the zoning resolution, including map amendments as well as zoning text changes. The Board of Trustees can act to approve, deny, or modify the recommendation of the Zoning Commission. Six (6) amendment applications were filed between January, 2012 and September, 2012.

#### 3. ***Community Improvement Corporation (CIC)***

The CIC consists of nine members including a member of the Jackson Township Board of Trustees, three members appointed by the Board of Trustees, a representative of the Chamber of Commerce and four members appointed by the CIC Board who are Jackson Township residents or business owners and/or managers. The Board of Trustees designated the CIC as the agency to advance, encourage and promote the industrial, economic, commercial and civic development of the Township.

e. Citizens Advisory Committees

1. ***Park Committee***

This committee consists of six appointed members and is responsible for assisting and advising the Board of Trustees on park issues. Some of those issues are capital improvements, park rules and regulations and long range planning.

2. ***Highway/Traffic Committee***

This committee was established in 1996 and is made up of Township citizens interested in Jackson traffic improvement. The committee meets in the spring and fall to be familiar with the background of financing, grant applications, jurisdiction control and general tools available for the public approach to traffic improvement. Discussion centers on review and analysis of past and future direction of all roadway problems, project construction and financing. Citizen involvement provides problem input and better understanding of the continuously growing needs for traffic improvement in the Township.

3. ***Community Celebration Committee***

The committee is responsible for the annual Jackson Community Celebration that is held in the Jackson Township North Park in June of each year. The committee consists of a chairperson, vice-chairperson, several sub-committees and township department representatives. The sub-committees oversee food concessions, 5K run, car show, the children's area, sponsorship, fireworks, entertainment, security and volunteers. This four-day event attracts approximately 50,000 people each year.
