Old Business

Steven Meeks updated the board on the CIC work session that took place on October 27, 2014. Steven would like to continue the work sessions every month. Mike Thompson suggested having the work sessions every other month. Steven thought this would a good idea and asked for a motion.

Mike Thompson moved and Todd Locke seconded a motion to have CIC Work Session meetings every other month starting in January. Motion carried.

Michelle Moore reported that the outdated vacant property list was removed from the website and Mike Vaccaro is working on the verbiage for the JEDD information to be listed on the website. Eric Bowles from North Canton was contacted about their website. North Canton subscribes to Co-Star which costs \$2,000 a year and they do not supply photos for the vacant buildings/properties. Steven asked Todd Hawke what the status was on putting the link to the realtor's site for vacant properties within the township. Todd Hawke stated that we need to figure out how we are going to put in together. Tracy Hogue stated that we should have the realtors attend a future meeting and make them the offer and have them supply the information to us. Todd Locke stated that we could just have a link on the township website to each realtor website.

Todd Hawke updated the board on Stolle Machinery. Mike Thompson asked if there was an update regarding getting the law changed on retail. Todd Hawke stated that Kirk Schuring is still working on getting that law changed. Steven Meeks would like Kirk Schuring to attend one of our future meetings to give us an update.

New Business

Todd Hawke reviewed the amendment to the Code of Regulations for the CIC to add a liaison to sit on the board. Cindy Hartzell asked if there was going to be an alternate if the person that was appointed to sit on the board is unable to attend. Todd Hawke will check with Mike Vaccaro regarding adding an alternate.

The December meeting will be Monday, December 15 at 12:00 p.m. at Papa Bear's Italian Restaurant.
