New Business

Todd Hawke introduced Chris Johnson from the Stark Development Board. Chris explained what the Stark Development Board does for the community. Rafael explained to Chris that the CIC would like to hold a workshop that involves the area developers and realtors to increase their relationship with Jackson Township, the City of Canton and all of Stark County. Chris stated that he is more than willing to help the board out. Sal Miraglia asked Chris how he keeps abreast of available properties within the county. Chris stated that he reviews broker websites to find any available properties and he also goes "on the road" to look for properties listed individually or possibly a company that is downsizing. Rafael asked Chris if it would be difficult to get the realtors/developers together. Chris stated that he doesn't think it would be difficult at all. He will go through his list of contacts and get a list of names together to invite. Todd Hawke would like the meetings to be quarterly starting in February. Todd will compile some dates and schedule a work session with Chris and the board to discuss the meeting with the realtors/developers.

Rafael stated that Justin Hardesty is officially a member of the CCIC and his first meeting was yesterday - Wednesday, October 19, 2016.
